

September 2, 2025

Dear Hickory Hills Lake Resident,

The current boat ramp schedule for access to the Island Road Boat Ramp ended on Labor Day.

Based on the start of the lake drawdown on October 11th, the boat extraction has been determined. Once the lake is lowered, the boat ramp becomes unusable due to shallow beach areas in front of the ramp. Below is the boat ramp schedule based on the beginning of lake drawdown when access to the ramp becomes difficult.

| 2025 FALL BOAT EXTRACTION SCHEDULE | | |
|---|---------------|-----------------|
| Thursday | Friday | Saturday |
| 9/18 | 9/19 | 9/20 |
| 9-12pm | 9-12pm | 9-12pm |
| 9/25 | 9/26 | 9/27 |
| 9-12pm | 9-12pm | 9-12pm |
| 10/2 | 10/3 | 10/4 |
| 9-12pm | 9-12pm | 9-12pm |
| 10/9 | 10/10 | 10/11 |
| 9-12pm | 9-12pm | 9-12pm |

The launch will be staffed by a trained weed-watcher. All trailers must be certified clean by the owner/operator and will be thoroughly inspected for weeds.

1. Trailers with ANY weeds will not be allowed into the lake.
2. Residents using boat dealers for removal must schedule with the dealer in accordance with the schedule above.
3. Please keep in mind, the water will be getting low after drawdown. Using this area is at your own risk.

In addition, if these dates are not acceptable, the office can arrange an inspector to meet you for your boat extraction for a charge of \$15.00. Contact Security at 978-877-1338 or the HHL Office via email at office@hickoryhillslake.com and leave your name, number and specific access request.

Please keep in mind there are more than 100 boats requiring ramp access and that we are trying to balance the best interests of the lake with all those who enjoy it.

Thank You,

Hickory Hills Landowners, Inc.
