Dear Hickory Hills Lake Resident,

The current boat ramp schedule for access to the Island Road Boat Ramp ended on Labor.

Please review HHL’s Boat Launch Protocol to ensure your trailer is prepared for entry into the lake.

☑ The launch will be staffed by a trained weed watcher. All trailers must be certified clean by the owner/operator and will be thoroughly inspected for weeds.

- 1.) Trailers with ANY weeds found will not be allowed into the lake.
- 2.) Residents using boat dealers for removal must schedule with the dealer in accordance with the schedule above.
- 3.) Please keep in mind, the water will be getting low after drawdown. Using this area is at your own risk.

In addition, if these dates are not acceptable, the office can arrange an inspector to meet you for your boat extraction for a charge of \$15.00. Contact the HHL Office via email or at (978) 582-6365 and leave your name, number and specific access request or email the office at [hickoryhills@net1plus.com](mailto:hickoryhills@net1plus.com).

Please keep in mind there are more than 100 boats requiring ramp access and that we are trying to balance the best interests of the lake with all those who enjoy it.
